

# Reception Newsletter!

20th April 2018.

Dear Parents,

**We hope you all had a lovely Easter Holiday!**

This is our last term together in Reception, as the parrots get ready to fly the nest into year 1.

## Reading & Homework

Well done to everybody for continuing to bring in your homework books. Your children have been working really hard on their homework challenges and are eager to show us their work in school.

Please remember that alongside those homework challenges children have reading books and tricky words in their diaries to practise each week as well.

## Topic

This half term we will be looking at a variety of topics from Minibeasts to superheroes.

We have even planned for some special visitors to come and see us in school.

This half term you are invited to our

## EYFS Minibeast Maths Morning !!!

On Friday 18th May

At 10:30 am

*How children learn about numbers and develop mathematical understanding during the early-school years is vitally important and sets them on a path towards numeracy skills and confidence in later life.*

**We hope to see you there!**

# Nursery Newsletter!

20th April 2018.

Dear Parents,

**We hope you all had a lovely Easter Holiday!**

This is our last term together in Nursery, as the Owls get ready to fly the nest into Reception.

## Reading & Homework
