

Year 3/4 Home Learning - w/c 29.06.20:

The daily activities below are intended to provide you with ideas for working at home, there will also be reading activities available on ActiveLearn and Maths on MyMaths. Prodigy and Times Tables Rockstars are also still available.

		Theme: Famous & Significant People			
Reading Activities			Spelling activities		
Mon	Encourage your child to read their Active Learn book.	Mon	Your child can choose a person that is significant to them and mindmap all of the words that they associate with this individual e.g. inspirational, heroic, intelligent, courageous.		
Tue	Visit Ducksters (https://www.ducksters.com/biography/) and encourage your child to choose a person to read about. Ask them to create a fact file on their chosen person using facts learnt.	Tue	Practise spelling these words: information, adoration, sensation, preparation, admiration . Your child can list other words ending in 'tion'.		
Wed	Ask your child to read a magazine or newspaper article about a famous person. Ask them to write a diary entry from the viewpoint of that person.	Wed	Your child can practise their year group spelling on Spelling Frame (https://spellingframe.co.uk/). Can they write mnemonics for 5 words e.g Rhythm Helps Your Two Hips Move .		
Thu	Read through this book (https://www.oxfordowl.co.uk/api/digital_books/19684.html) about famous artists together. Encourage your child to choose one of the artists and create their own inspired painting	Thu	Puzzle fun . Choose 5 Common Exception words and create a word search containing these spelling words. Who can find the words?		
Fri	With your child, take a look at this information https://www.bbc.co.uk/bitesize/topics/zjwvb82/articles/zhx4k2p all about Neil Armstrong, the first man to walk on the moon. Complete the quiz and test your knowledge!	Fri	A-Z fun. Ask your child to list a famous or significant person that begins with each letter of the alphabet.		

Writing activities		Maths Activities	
Mon	Visit the Literacy Shed for this wonderful resource on The Clocktower (https://www.youtube.com/watch?v=luY32IEQ-W8)	Mon	Watch this addition video (https://safeyoutube.net/w/nix6) and this subtraction video (https://safeyoutube.net/w/yix6), which revise the column method. Generate calculations to practise at home.

Tue	Tell your child to imagine that they are famous. What would they be famous for? Can they write a diary entry recounting the day's events in role?	Tue	Challenge your child to use the Subtraction Grids (https://www.topmarks.co.uk/maths-games/subtraction-grids) to see how many calculations they can solve correctly in 2 minutes. Or try this calculation game (https://www.mathplayground.com/do_undo_addition.html).
Wed	Ask your child to find out when the NHS began. Who was the founder? Encourage them to compare the NHS then and now. Can they represent information on a timeline or in an information booklet?	Wed	Ask your child to think about these questions: What calculations can you create using the numbers 127, 111, 200, 28 and 65 ? Will you use subtraction, addition or both? Can you find the inverse to the calculations you write?
Thu	All famous people should earn £1,000,000 per year. Does your child agree/disagree? Ask them to have and write a discussion on this statement.	Thu	Are these number sentences true or false? 597 + 7 = 614, 804 – 70 = 744, 768 + 140 = 908, 907- 669= 238, 872- 109= 108=. Give reasons.
Fri	Ask your child to use the words FAMOUS PEOPLE to write an acrostic poem about significant people in history.	Fri	Get your child to revise using all four operations by playing this game (https://www.mathplayground.com/make_a_number.html). They make a target number using the different operations.

The following activities are based on this week's theme. Please feel free to access as many or as few of these as you can manage.

Topic activities

The project this week aims to provide opportunities for your child to learn more about famous or significant people. Learning may focus on past or present inventors, explorers or scientists and how they influence society today.

- **Famous Fact Find** - Find out about one or more [Famous British People here](https://www.bbc.co.uk/bitesize/topics/zd8fv9q). (<https://www.bbc.co.uk/bitesize/topics/zd8fv9q>). Ask your child to decide how they would like to present the information they have discovered. This could be a slide show, a poster or an information report about them. Can your child create a true or false quiz about their chosen person and test it out on the family during a games night?
- **Healthcare Heroes** - **As the NHS plays such a significant role in our lives, ask your child to represent our amazing NHS staff with their own piece of artwork. This could be a painting, collage or even a collectable stamp** (<https://www.bbc.co.uk/bitesize/clips/zsbsqty>) **of a famous medic e.g Florence Nightingale, Mary Seacole or Aneurin Bevan. Remember to tweet a photo of their artwork #TheLearningProjects.**
- **Sport Superstar** - **Watch** (<https://www.bbc.co.uk/bitesize/clips/z48b4wx>) an interview with Rod Ellingworth, a famous, British cyclist. Then go for your own bike ride as part of your daily exercise. Don't forget to wear your helmet. No bike? Then take a walk and look out for any cyclists you see. **Recommendation at least 2 hours of exercise a week.**
- **Family Matters** - **As a family, discuss the famous people that may have had an impact on their lives and the choices they have made about the jobs they have chosen. Talk about who has inspired them and why. Your child can create a family tree that illustrates inspirations and choices.**
- **Religious Role Models** - **Ask your child to find out about significant religious people, like Jesus, Moses, Muhammed (pbuh), Guru Nanak or someone else who is important to your family. What do they notice about these people? What is similar about them? What is different? Help!** (<https://www.bbc.co.uk/bitesize/subjects/z7hs34j>) **Record the similarities and differences in a table format or make a Religious Role Model mini-book.**

Sophia Barnacle

- Sophia was a British inventor who, in 1907, invented the Helter-skelter. Try using junk box material to make your own helter-skelter or marble run.
- To find out more about building your own marble run click [here](https://www.jamesdysonfoundation.co.uk/resources/challenge-cards.html). (<https://www.jamesdysonfoundation.co.uk/resources/challenge-cards.html>)
