

Learning Project- Viewpoints
Week 6

Age Range- Year 3 and 4

Weekly Maths Tasks (aim to do one a day)

- Working on [Times Table Rockstars](#) - your child will have an individual login to access this (**20 mins on SOUND CHECK**).
- Play on [Hit the Button](#) - focus on number bonds, halves, doubles and times tables.
- Practise counting forwards and backwards from any given numbers in **100s**.
- Practise rounding numbers with [this game](#).
- Practise counting in 8s, [this song may help](#).

Weekly Reading Task (aim to do one a day)

- You could share a story together. This could be a chapter book where you read and discuss a chapter a day.
- Listen to your child read and let them discuss what they have read. Encourage them to read with expression and intonation.
- Watch [Newsround](#) and discuss what is happening in the wider world.
- Get your child to read a book on [Oxford Owl](#), discuss what your child enjoyed about the book.
- Explore new vocabulary you find when reading. What are the origins of this word? Can it be modified? Can you find any synonyms or antonyms for your new word?
- With your child, look in magazines, newspapers and books for new vocabulary they are unfamiliar with. They could use a highlighter to highlight in magazines and newspapers.

Weekly Phonics/Spelling Tasks (aim to do one a day)

- Practise the Year 3/4 for [Common Exception](#) words
- Practise your spelling on [Spelling Shed](#)
- Practise your spelling on [Spelling Frame](#)
- Choose 5 Common Exception words. Write a synonym, antonyms, the meaning and an example of how to use the word in a sentence. Can the word be modified?
- Choose 5 Common Exception words and practise spelling them backwards and forwards.

Weekly Writing Tasks (Aim to do 1 per day)

- Think of your favourite traditional tale, continue the story. What happens next? What happens to the characters? Does the setting change?
- Design a poster about the seasons. Ask your family members what their favourite season is and compare your viewpoints?
- Design an information leaflet that highlights how children can keep safe.
- Interview another member of your family. Write a report about how you are alike and how you are not alike? Take about what you look like and include your opinions, likes and dislikes.
- Take part in a writing [master class](#).

Learning Projects (to be done throughout the week)

The project this week aims to provide opportunities for your child to learn more about different viewpoints. Learning may focus on physical viewpoints in terms of what you can see

outside of the window at home, what others can see looking into your home and then progress onto personal viewpoints and of others.

• **Let's Wonder:**

Draw a picture of themselves and label their drawing with the qualities they have. How do others see them differently? Ask people at home to add to their qualities. How are they different to other children in different parts of the world? What makes them similar to other children around the world?

• **Let's Create:**

Complete an observational drawing of what they see outside a window in their house. Then get out into the garden and find natural forms such as stones, leaves, flowers and animals. Complete sketches, showing an awareness of different viewpoints of the same object. Remember to concentrate on tone and shading.

• **Explore:**

Move around their home and garden taking photographs from different viewpoints. Which photos do they like? Do the people they live with like the same photos as them? Why? Why not?

• **Be Active:**

• Choose different [Go Noodle activities](#) each day. **Recommendation at least 2 hours of exercise a week.**

Additional Learning

[Classroom Secrets Learning Packs](#) - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

[Headteacherchat](#) - This is a blog that has links to various learning platforms. Lots of these are free to access.
