

Learning Project- Environments  
Autumn 2 Week 2

Age Range- KS1

Weekly Maths Tasks (aim to do one a day)

- Practise matching number digits with the correct words. Play this [game here](#).
- Practise doubling using [this game](#).
- Look out of your window or stand in your front garden and count how many people go past. Can you double the number?
- Practise 2D shape repeating patterns using [this game](#). Can you draw your own repeating pattern?
- Choose a number between 10 and 20. How many different ways can this number be partitioned? Do bigger numbers have more ways they can be partitioned?
- Practise numberbonds to ten using [this song](#).

Weekly Reading Task (aim to do one a day)

- Listen to the information video about caring for the environment. Discuss with your child after. [Watch here](#).
- Read a story that has a woodland in.
- Watch this video about [recycling](#).
- After watching the recycling video, play the game that follows. Read the labels and recycling the rubbish.
- Listen to [Newsround](#) and discuss what has been happening in the world this week. What new things have you found out?

Weekly Phonics/Spelling Tasks (aim to do one a day)

- Daily phonics - your child to practice their sounds and blend words.
- Interactive games found on link below.
- [Phonics play](#)
- [Top Marks](#)
- [Spelling](#)
- Spell the days of the week
- Spell common exception words
- [Spelling City](#)

Weekly Writing Tasks (Aim to do 1 per day)

- Write labels for your recycling bins.
- Can you label the plants in your garden or in the house?
- Design a poster to remind people to recycle.
- Practise your pre cursive handwriting. Start with a, d, c, o, q. [These videos](#) might help.
- Write a list of adjectives to describe the weather.

Learning Projects (to be done throughout the week)

**Switch it off:** Ask your child to take a look at all the electrical devices in their house. Are they all plugged in? Do they need to be plugged in? How could they create a poster to place around the house to help remind people to switch it off once they have finished.

**Save Electricity,** Recycle Paper, Conserve water. What could you include on these? Where could you place these in the house? Can you talk to your family about the posters and how you could help the planet?

Listen to a [song](#) about things we can do to help to save the planet.

**Write and draw!** Ask your child to choose one thing they could do to help the environment in school. Get them to make a poster to encourage people to do it! Think about the classroom and also the school.

**World Environment day-** On world environment day people from all over the world will do something positive to help our planet. Ask your child what could they do? Lots of little things can make a big difference. What could they do to celebrate World Environment Day at school? Can they create a poster to display at school?

Additional Learning

[Classroom Secrets Learning Packs](#) - These packs are split into different year groups and include activities linked to reading, writing, maths and practical ideas you can do around the home.

[Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.

[Headteacherchat](#) - This is a blog that has links to various learning platforms. Lots of these are free to access.
