

**EYFS - Nursery Home learning timetable**

**Week Beginning: 18<sup>th</sup> January**

Work with your child and decide when to do each of the items each day. Keep things short and frequent a little and often is better than a long stretch trying to get it done. Please stay connected through Tapestry sharing the things that you are doing by using the iPad to Photograph and share.

We will use twitter and you tube to share things with you. Do what you can. Play, talk and reading with your child are the top priority and five to ten minutes focused interaction every hour is better than trying to do too much and getting stressed or uninterested children. You can do this! We are here to support in any way we can.

**We are starting weekly P.E. challenges and the first challenge this week is Clap & Catch. You will have the whole week to practice the challenge and then you can post your best score on Friday using the link below. Good luck!**
